Online Safety 4 Schools

## *Face to Face or Virtual Online Safety Workshops for Pupils – Staff – Parents 2022 Onwards*

<http://www.onlinesafety4schools.co.uk>

*Online Safety is about Behaviour, Online Safety is The Informed Use of Devices, Sites, Apps & Gaming & Online Behaviour must be Appropriate and Acceptable to make for a Safe Online Environment.  
Social Media, Apps & Gaming are nothing to be afraid of, however schools must:  
Keep Pupils Safe – Protect Educators – Safeguard Schools – Involve Parents & Carers*

*With the World beginning to 'open up', like all Schools in the UK and Internationally, I am monitoring the current conditions of travel and the advice on self-quarantining here in the UK and between the UK and countries worldwide.*

*OS4S Online Safety workshops have been updated to be line with KCSIE 2021, which correctly identifies the need for accurate informative & bespoke Online Safety Training.*

### *Keeping Children Safe in Education 2021 Update:*

*The Ofsted report into sexual harassment in schools & the impact of the Everyones Invited website has highlighted the issue of Online Safety 4 Schools and has brought Online Safety to the forefront of Keeping Children Safe in Education – inc  
Online Peer on Peer Abuse*

*Harassment & Abuse in Schools / Online Safety within KCSiE*

*What these serious issues have in common is,*

*Social Media - Gaming Communities - Direct Messaging & Inappropriate Online behaviour.*

*KCSiE update now prioritises Online Safety for All Schools*
