

Online Safety 4 Schools (UK & International)

Online Safety 4 Schools

Online Safety Workshop

KCSiE 2021 updated

This Online Safety Workshop for Staff is the most appropriate, challenging, and advanced course that International & UK National Teaching Staff can access. This workshop will allow all School Staff to participate and engage in discussions and is designed to guarantee knowledge, awareness and understanding of the Online world, to protect students, teachers, and schools. Keeping Children Safe in Education 2021 now prioritises Online Safety here in UK and is Best Practice for all Schools.
