*Online Safety is about Behaviour, Online Safety is The Informed Use of Devices, Sites, Apps & Gaming & Online Behaviour must be Appropriate and Acceptable to make for a Safe Online Environment.  
Social Media, Apps & Gaming are nothing to be afraid of, however schools must:  
Keep Pupils Safe – Protect Educators – Safeguard Schools – Involve Parents & Carers*

*With the world continuing to ‘open up’, International and UK schools have taken the opportunity to receive Online Safety Training for Students, Parents, Staff and school Governors / Executives.*

*OS4S Online Safety workshops have been updated to be in line with KCSIE 2022, which correctly identifies the need for accurate informative & bespoke Online Safety Training.*

### ***Keeping Children Safe in Education 2022 Update:***

*The Ofsted report into sexual harassment in schools & the impact of the Everyones Invited website has highlighted the issue of Online Safety 4 Schools and has brought Online Safety to the forefront of Keeping Children Safe in Education – inc Online Child on Child (Student n Student) Abuse Harassment & Abuse in Schools / Online Safety within Keeping Children Safe in Education 2022.*

*What these serious issues have in common is, Social Media - Gaming Communities - Direct Messaging & Inappropriate Online behaviour.*

*Keeping Children Safe in Education 2022 update now prioritises Online Safety for All Schools*
